

# 5-7 OCT GOVWARE CONFERENCE

ONLINE · FREE-TO-ATTEND

A PART OF SINGAPORE INTERNATIONAL CYBER WEEK 2021

## GovWare Conference

**Event Date:** 5 – 7 October 2021

**Time:** 9:30 AM – 5:00 PM (GMT +8)

**Format:** Online, Free-to-Attend

Disruptions have taken centre stage as key factors in just about every facet of the human condition. In technology, healthcare, communications, travel, even social norms and modes of behaviour, the recent past has seen unprecedented pace and impact of change in our lives. Growing and adapting to meet the emerging challenges, and identifying developing opportunities, are key to establishing resilient and successful communities of the future.

With the support of the Cyber Security Agency of Singapore (CSA) and community partners across the region, **GovWare Conference** promises a stellar line-up of programmes as we address this year's theme "**Living with COVID-19 - Reimagining Digital Security Risks and Opportunities**".

Cybersecurity communities from around the world can tune in online to **over 50 expert-led keynotes and track sessions** from industry-leading innovators and CII sectors such as FireEye, SolarWinds, Standard Chartered, MasterCard, Ensign Infosecurity, ST Engineering, CSA and more.

GovWare Conference online attendees can also look forward to networking opportunities and access to video-on-demand post-event.

**Registration for GovWare is COMPLIMENTARY.** A part of Singapore International Cyber Week (SICW) 2021, GovWare Conference attendees will be able to access SICW 2021 virtual sessions from 4 to 8 October via a single pass.
